Kulturne poveznice (Nakovanska keramika)

Prapovijesna sojeničarska naselja na alpskim jezerima

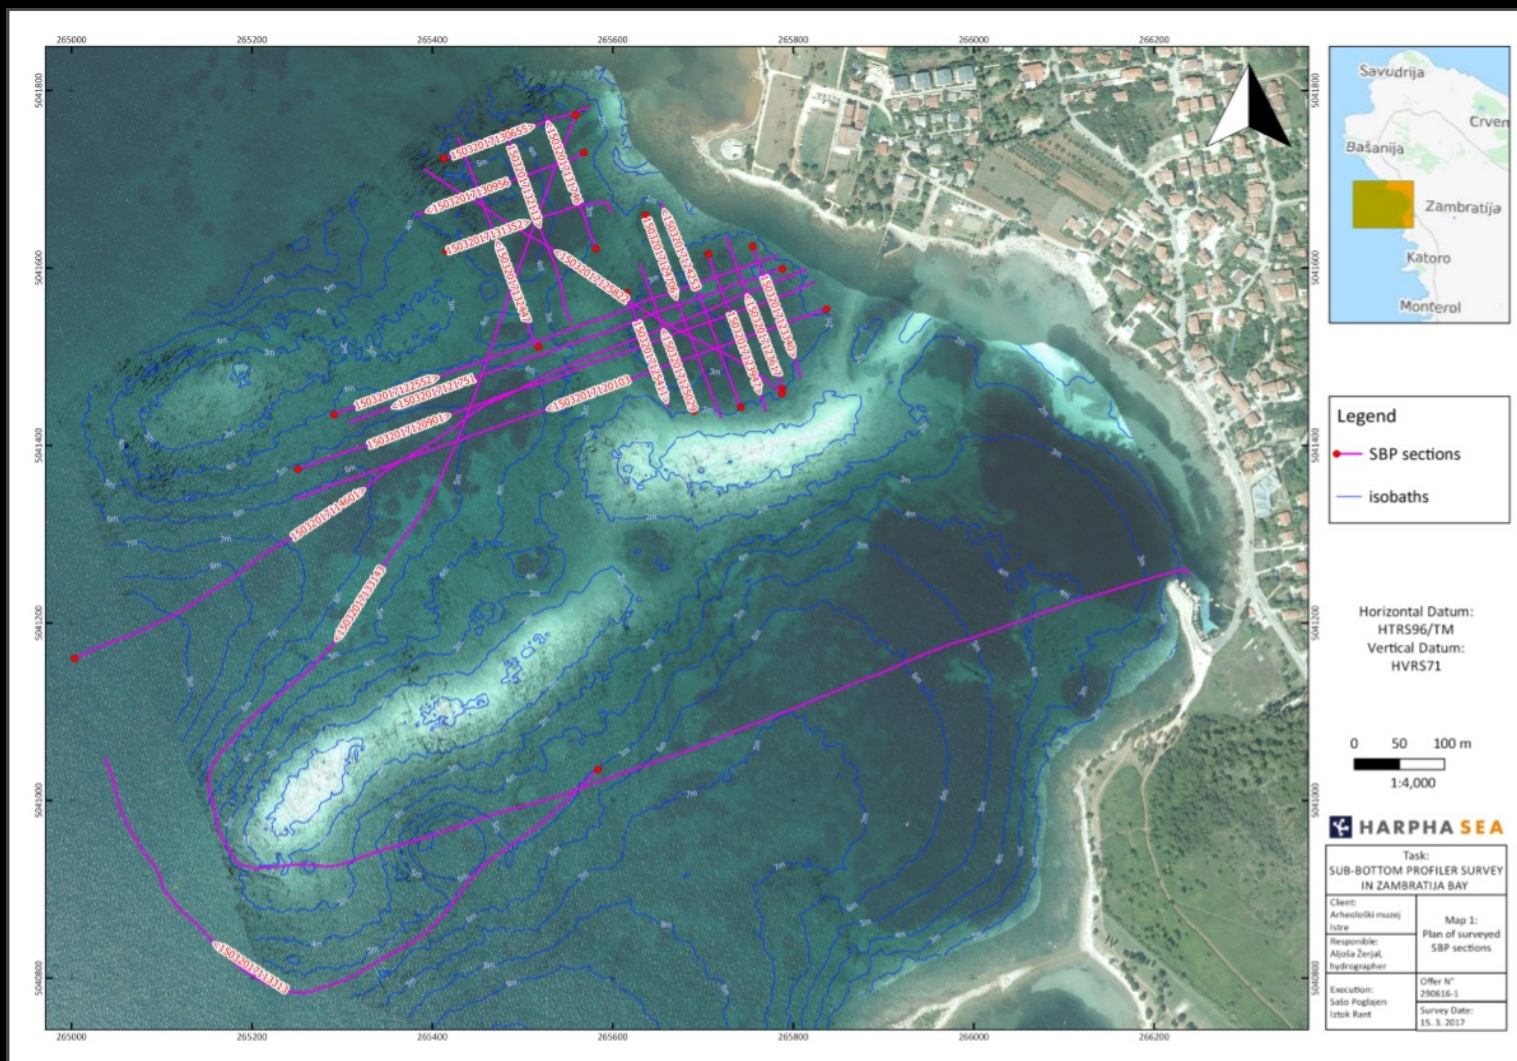

A map of Europe and surrounding regions 20,000 years ago, showing a much larger landmass due to lower sea levels. The land is colored in shades of green and brown, while the sea is dark blue. The map is set against a black background with a thin blue line representing the Earth's horizon. The text "Europa prije 20000 godina" is written in white in the upper right quadrant.

godina

Terenski i laboratorijski rad

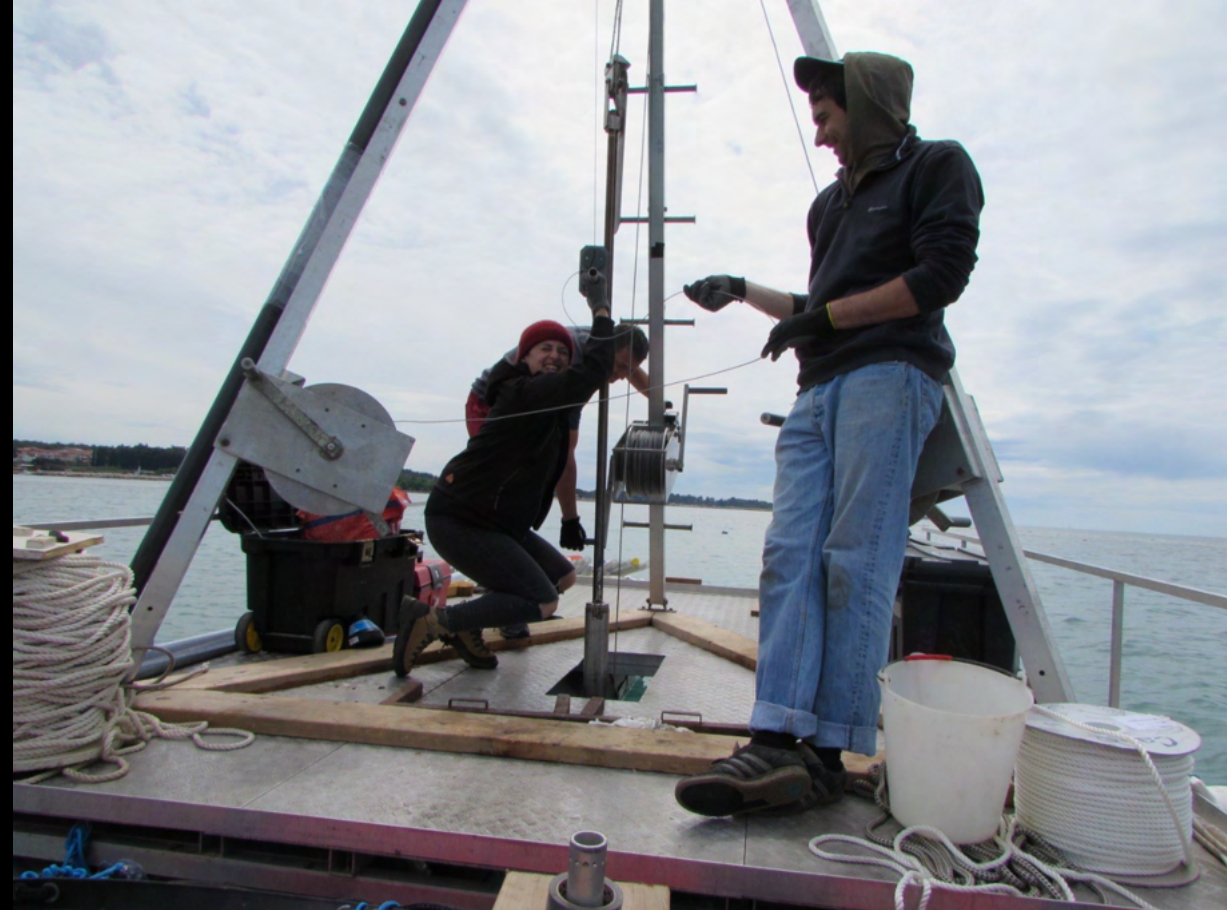

- *Sub-bottom profiler*
- Uzimanje uzoraka podmorskih sedimenata (eng. *coring*)
- Uzimanje uzoraka za dendrokronologiju
- Laboratorijski trening u Zagrebu i York-u (UK)
- Dendrokronologija u Aix-en-Provence (Francuska)

Sub-bottom profiler

Linijski profili kako bi se utvrdila debljina sedimenta i izabrale najpovoljnije lokacije za sedimentne jezgre.
